TEES VALLEY MAYOR

Apprenticeships are a brilliant route to a rewarding career here in the Tees Valley and I am delighted you are considering this path to success.

An apprenticeship lets you earn while you learn, gaining formal qualifications while taking home a pay packet at the same time. It's something that As Mayor I want to raise the aspirations of all young people in the Tees Valley, increase skill levels and help everyone achieve their full potential right here in the region.

We have a strong track record of encouraging apprenticeships. For the past few years, we have been leading on a scheme to encourage employers to take on more apprentices. This has recently been extended to cover a wider range of business types, so there are even more options should you decide an apprenticeship is right for you.

Our £3million TeesValleyCareers.com initiative is helping young people like you get the skills they need. To date, hundreds of local businesses from across the region have signed up to work with schools and colleges and provide more information on careers and, vitally, apprenticeship opportunities.

The future of our area is determined by the choices our young people make and that's why it's important for you to explore all of your options. It is an exciting time for the Tees Valley. Our future is bright and we've got some great companies in the area with exciting and fulfilling roles on offer.

I wish you the best of luck and a successful and prosperous career ahead.

Tees Valley Mayor

ABOUT TVLPN

The Tees Valley Learning Provider Network Ltd (TVLPN) is a registered charity with over 47 members. We are dedicated to supporting learning providers and learners to achieve their potential in the field of work based learning.

TVLPN consists of local authorities, privately owned companies, colleges and national organisations. Members are engaged in the delivery of vocational and apprenticeship training leading to nationally recognised qualifications.

WHAT ARE MY CHOICES?

All young people are required to participate in education until the end of the academic year they turn 18. Young people must engage in one of the following:

- An Apprenticeship
- A Traineeship
- Study Programme
- Full time work involving at least 280 hours of education
- Full time education including A Levels
- Home education

STUDY PROGRAMMES

The Study Programme assists 16-19 year olds to gain qualifications and employability skills to progress into further education, an apprenticeship or employment. It offers a flexible programme which may include a mix of qualifications, including English and Maths for young people who have not achieved GCSE 4 - 9, and work experience.

Study programmes may be undertaken at a further education college, sixth form college or with a training provider.

For further information about Traineeships visit: www.gov.uk and search **Traineeships**

Traineeships prepare young people for their future careers by helping them to become 'work ready'. They provide essential work preparation training, Maths and English and work experience needed to compete successfully for jobs, including Apprenticeships, or to progress to further learning.

WHO ARE TRAINEESHIPS FOR?

Traineeships are an ideal opportunity for young people who are motivated to get a job but who lack the skills and experience that employers are looking for. Young people who have been applying unsuccessfully for Apprenticeship vacancies due to a lack of skills or experience could be good candidates for a Traineeship.

ARE YOU SUITABLE FOR A TRAINEESHIP?

- Aged 16-24 and qualified below level 3
- Unemployed or work less than 16 hours per week and have little work experience
- Motivated to work

Employers are not required to pay young people taking part in Traineeships but are encouraged to support Learners with potential financial assistance such as travel costs. Bursaries are available for young people aged 16-19 on a Study Programme or Traineeship subject to eligibility.

Apprenticeships

Apprenticeships offer the chance to learn and gain nationally recognised qualifications whilst earning a salary. As an apprentice you will be working in a real job where you will be employed by a company, have a

contract of employment, get paid a salary (at the least the minimum wage for apprentices £3.90 aged under 19 or those in their first year) whilst obtaining valuable workplace skills and experience.

Different levels of Apprenticeships available

INTERMEDIATE APPRENTICESHIP	ADVANCED APPRENTICESHIP	HIGHER & DEGREE APPRENTICESHIP
<ul style="list-style-type: none"> • Level 2 • 12 - 18 months • Equivalent to 5 GCSEs 4 - 9 	<ul style="list-style-type: none"> • Level 3 • 18 - 48 months • Equivalent to 2 A-levels 	<ul style="list-style-type: none"> • Levels 4, 5, 6, 7 • 24 months+ • Equivalent to foundation degree level+

PLUS KNOWLEDGE, COMPETENCE, AND EMPLOYABILITY SKILLS

★ To find out more about Higher & Degree Apprenticeship visit our website www.tvwbl.net or alternatively visit www.gov.uk

WHERE DO THEY LEAD?

Your current skills and qualifications will form the starting point for your Apprenticeship journey. Learners starting on an Apprenticeship level 2 can progress onto a level 3 Apprenticeship.

Some learners, depending on qualifications will commence the programme at level 3 and then they can progress onto a Higher Apprenticeship. There are plenty of options on completing an Apprenticeship programme to enter skilled employment and further training or to progress onto a Higher Apprenticeship either part time or full time.

To find out more information visit www.apprenticeships.gov.uk

HIGHER & DEGREE APPRENTICESHIPS

Higher or Degree Apprenticeships are available at levels 4-7 and they combine work with study. Typically, higher apprentices study part time at college, university or with a training provider. Apprenticeships take between one and five years to complete.

- **A level 4 or 5** is equivalent to a Higher Education Certificate/Diploma or a foundation degree
- **A level 6** is equivalent to a Bachelor's degree
- **A level 7** is equivalent to a Master's degree

COMMENTS FROM RECENT LEARNERS

Below are comments from young people who have completed their training.
